

Somerset Traffic Count & Lottery Sales
as estimates of potential & actual retail customers
10 September 2016

superimposed on

Official Zoning
Town of Somerset, Massachusetts

- 1. Traffic counts by Southeastern Regional Planning & Economic Development (SRPEDD)
- 2. Lottery sales by agent compiled by Massachusetts State Lottery

Data plotted by Lloyd Mendes, member, Slade's Ferry Development Subcommittee Economic Development Committee, Town of Somerset, Massachusetts, compiled from SRPEDD Traffic Count File 2005-2014, published Nov. 2015, at <http://www.srpedd.org/traffic-count>; and from Massachusetts State Lottery, Fiscal Year 2015, "Sales by Agent" a spreadsheet produced to fulfill a Freedom of Information request.

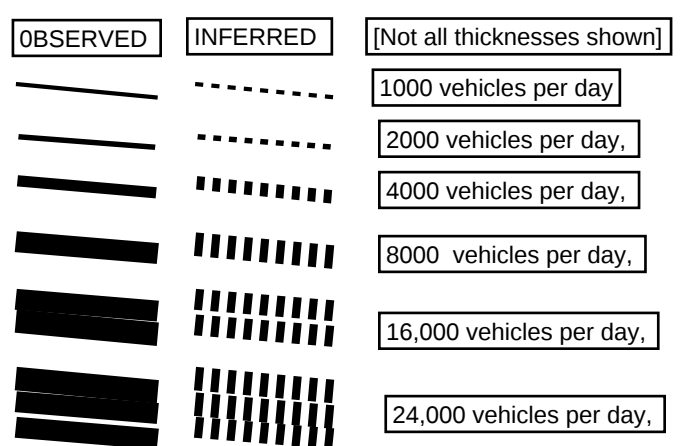

LOTTERY SALES-BY-LOCATION KEY

2015 Lottery sales consolidated from nearby vendors in same traffic area or same side of street; font size of \$ symbol roughly proportional to dollar volume:

TRAFFIC-COUNT KEY

Traffic count per day estimated between 2006 and 2014

NOTE TO KEY:

Thickness of lines proportional to average daily traffic count, rounded to nearest thousand.

Dotted black lines indicate logically inferred daily traffic count; no data recorded.

Blue lines indicate Interstate Highway I-195 daily traffic count NOT entering local Town roads.

No black lines indicate that no observations or inferences were made on those streets or that observed daily counts were less than 500
